Dear Patient:

Enclosed are the patient forms for you to update before your visit. Although there may not be any

changes, we do require that ALL information be updated yearly or when changes occur. Please fill out the

paperwork completely and bring your insurance card (s) with you to your appointment. Also, you will be

asked to provide a photo ID so that we comply with Identity Theft Red Flags and address discrepancies

under the Fair and Accurate Credit Transaction Act of 2003.

• If your insurance requires a referral, please call your referring physician and request the referral

at least one week prior to your appointment. We will not be able to call from our office for it.

If you do happen to have a long list of medications, please feel free to bring the list with you

and we will make a copy for your chart. You do not need to list them on the history form.

If you are unable to keep your appointment, please call our office as soon as possible or at least 24

hours prior to the appointment.

Sincerely,

Debra Tanner Abell, M.D. & Staff

## ffice Policies

Debra T. Abell, MD & Staff welcome you to our office. We appreciate that you have chosen us for your skin care needs. We truly enjoy what we do and hope to provide the best quality of care. In order to serve you in an efficient manner, we have instituted the following policies. We recognize the importance of your time and try our best to stay on schedule. If, however, we are running behind due to special circumstances, we apologize for any inconvenience we may have caused.

### No Show/Cancellation Policy for Medical and Surgical Appointments

We provide appointment reminders via phone calls or text messages. If you must cancel your medical or surgical appointment, we require at least 24 hour notice so that the time can be given to a patient with an immediate problem. In the event of a no-show or same day cancellation, you will be charged a \$50 fee that must be paid prior to making additional appointments. For repetitive no-show or same day cancellations, we reserve the right to terminate the patient-doctor relationship. Please be prompt, as a sincere attempt is made to see our patients at their scheduled time.

### **Cosmetic Appointments**

We offer free 15 minute cosmetic consultations with a member of our aesthetic staff. A deposit of \$150 is required to schedule a cosmetic procedure; this deposit is applied to the cost of the procedure. A 48hour notice of cancellation is required or the deposit will be forfeited. Full payment for services is required at the time of the visit. We accept cash, check, Visa, MasterCard, and Discover. If financing is desired, please contact Care Credit prior to the scheduled visit.

### **Prescription Refill Policy**

The prescriber will give you enough refills to last until your next appointment. Please note that it is office policy not to authorize refills if a patient has not been seen in the office in over 6 months or if appointments have been missed. Special circumstances will be individually reviewed by the medical provider. Certain medications, such as Enbrel, require periodic visits for refills.

#### **Medical Forms**

For your safety, we require your medical history forms be updated yearly. Insurance forms are also updated yearly to ensure accuracy of billing. We appreciate your cooperation in this matter.

All patients must present a valid photo ID and insurance card at the time of appointment. If these are not available, you will be asked to reschedule your appointment. If you do not have insurance, a photo ID and credit card will be required.

#### **Medical Records Request**

If you wish to transfer to another provider, the first set of records is provided at no charge. All subsequent requests will incur a prepaid charge in accordance with state approved/mandated copying fees. Please allow 10-14 days for medical record requests to be completed.

## **Financial Policies**

### **Insurance Filing:**

As a courtesy we will bill your insurance company for any charges incurred at our clinic. Remember, your health insurance is a contract between you and your insurance company. Our office will make **two attempts** to settle any outstanding bill with your insurance company. If your insurance deems a procedure to be not covered by your insurance plan you will be responsible for the balance of this service and you expressly agree to pay for such non-covered services. Claims not paid by your insurance company within 90 days will become your responsibility as a non-covered service. We will furnish information required by the insurance company to receive payment. Benefits should be paid directly to Debra Tanner Abell, M.D. & Associates from your insurance company, if your insurance company pays copays, coinsurance, or other similar charges. I hereby assign to Debra Tanner Abell M.D. & Associates all my rights and claims for reimbursement under my health insurance policy. I agree to provide information as needed to establish my eligibility for such benefits.

### **Bad Debt & Bankruptcy Account Status:**

I realize that if my account is in bad debt or bankruptcy status I will have to pay the outstanding debt before I am able to book my next appointment. I realize that if my account is sent to collections, Debra Tanner Abell M.D. & Associates may alternatively elect to dismiss me as a patient from the practice. If I pay off my account with Credit Collections U.S.A, L.L.C., my account will be returned to good standing status.

### **Non-Sufficient Funds:**

A \$35.00 charge will be added for any non-sufficient funds notice from the bank. If your account is sent to collections and we have to litigate in court, your visit(s) with our office may become a matter of public record.

### **Non-Insured Patients:**

Non-insured patients will be charged a fee prior to seeing a provider on the date of service. These funds will be allocated to the services rendered by the provider for that day. However, these fees serve only as a down payment and are not considered payment in full. The down payments are as follows:

New Patient Office Visit \$170 Established Patient Office Visit \$150 Excision Visit \$800

Final charges will be determined after the provider sees the patient and a complete assessment is made. The provider may require payment in full for procedural services prior to rendering such a service. Additional fee information is available upon the patient's request. A statement with the balance due for services provided will be mailed to you within a few days. At which time the balance due should be paid upon receipt.

#### Co-payments, Co-insurance, Deductible, & Cosmetic Procedures:

Payment is due on the date of service prior to seeing the provider. Deductible amounts may be collected prior to the physician completing the service. Payments for a cosmetic procedure is due in full prior to treatment.

#### **Procedure Pricing:**

I understand that procedure estimates will be provided in writing and are estimates only. Once the procedure is completed and the provider notes have been submitted to insurance for billing will the final cost be known.
